

To our Members and Community,

Due to extreme health risk and concerns for this coming fall and winter with Covid-19 and the Flu, we have elected to hold off reopening Membership and Aquatics departments at this time. We will seek to reevaluate opening in the spring of 2021. We do not want to open now only to be told to close shortly thereafter due to increases of infection. We want you to know we have always prioritized the safety of our members and community, and in these uncertain times we will continue to do so.

What to expect from us

Unfortunately, there is no telling when things will be “back to normal” in any sense. Rest assured that we’re doing our best to keep you informed and taking every precaution to ensure everyone’s safety. We are thinking about you and all those in our community and look forward to serving you again in the future. You can stay informed of what’s happening by going to our website, ymcaofpaterson.org and following us on Instagram, Facebook or Twitter. That’s where we’ll first update you with any news on reopening.

The YMCA of Paterson remains dedicated to being socially responsible and is focusing on the community’s need for food, housing and childcare. If you or someone you know is in need of these essentials, please contact us for more information.

The most important thing is to make sure the full reopening in the future happens in a safe environment. We’re all in this together, learning and adapting together. If you have specific questions not addressed herein or on our website, reach out to us. We’re still available to answer your questions and respond to any concerns, if you are unable to reach us via phone, please leave a message and we will get back to you as soon as possible.

We’re working diligently to adapt to new circumstances while planning for the future. Our members, staff and community have always been the heart of our organization. We’re grateful for you, your ongoing support, and that you’re doing your part to keep everyone safe. Thank you!

Sincerely,

YMCA of Paterson
